SUMMARY

MCA student with strong foundation in Java, SQL, and full-stack web development. Skilled in Spring Boot, Hibernate, and MERN stack with hands-on project experience. Passionate about building scalable software solutions and eager to contribute to innovative development teams.

TECHNICAL SKILLS

Programming Java, JavaScript, SQL,	Web HTML5, CSS3, JSP, Servlets
Frameworks Spring, Spring Boot, Hibernate	Databases MySQL
Tools Git, Eclipse, IntelliJ IDEA, VS Code	Concepts OOP, MVC, REST APIs,

INTERNSHIP

Application Developer Intern, NexaNova	10/2025 – Present
<ul style="list-style-type: none">Worked on backend development using Java and Spring Boot for internal applications.Implemented data persistence and database interactions using JPA/Hibernate.Improved module performance by optimizing database queries and resolving backend issues.	

PROJECTS

Training Institute Scheduling & Management System
Training Institute Scheduling System (Spring Boot, MySQL, JPA) Developed a web application to manage courses, trainers, students, and weekly schedules. Implemented secure login, role-based access, and CRUD operations using Spring Boot and JPA. Created REST APIs for timetable generation and student enrollment with MySQL as the backend.
Stock Trading Platform (MERN Stack)
Developed a Zerodha-like trading platform enabling real-time portfolio tracking & order placement. Implemented JWT authentication & secure REST APIs, improving transaction security. Optimized React.js UI for responsive design, enhancing user experience across devices.

EDUCATION

Master of Computer Applications (MCA), Pune University	2026
CGPA: 8.89 Expected 2026	
Bachelor of Computer Applications (BCA), Amravati University	2024
60%	

ACHIEVEMENTS

Captain, College Kabaddi Team
Represented at University level tournaments; demonstrated leadership, teamwork, and strategic decision-making.
